This ask is above the street

The typed address, 13394 Siena Loop, is not a Manatee County parcel. The active listing is 13994 Siena Loop, MLS A4704244, in Siena at Lakewood Ranch Country Club.

Ask $1,195,000 · $456 per living foot

Six 2026 sales on Siena Loop closed at a median of $314 per living foot. 13978 Siena Loop, the same 3-bed, 3-bath, office, golf-and-lake plan, went under contract at a $899,000 ask, which is $336 per foot. Sized to this house, that rate is about $882,000. The ask is about $313,000 above it. Listed 4 Sep 2026. On 23 Oct 2026 it was day 49, with no price cut.

Desk value, conditional on the roof and the air conditioner

$860,000
Original roof and AC.
About $328 per foot.

$940,000
Systems still have life.
About $358 per foot.

$1,030,000
Roof and AC are recent.
About $393 per foot.

The middle case pays a modest finish premium over 13978 and assumes the roof and air conditioner still have useful life. County market value on the 2025 roll is $713,184. The owners bought the house on 21 May 2020 for $445,000, after a 2019 listing that opened at $540,000.

The house

List	$1,195,000 · MLS A4704244 · Coldwell Banker, Katina and Kenneth Shanahan
Size	2,623 living sq ft · 3,548 total building sq ft · one story · built 2006
Rooms	3 bedrooms, 3 baths, plus an office. The third bath serves the office and the pool.
Lot and view	0.23 acres, lot 47. Golf course and lake view. Front faces east; lanai faces west.
Roof and pool	Tile roof, year not stated. Heated pool and spa, screen cage, outdoor kitchen.
Flood	Flood zone X on the listing detail. The lake is a view. MLS waterfront flag is No.
Parcel	588502359. Country Club Village subphase R, Siena, and subphase S, Mizner Reserve.
Last sale	$445,000 on 21 May 2020. Prior MLS A4436936.
2025 tax roll	Market $713,184. Assessed $692,095. Homestead.
2025 tax bill	$13,013. Ad valorem $9,244. Non-ad valorem $3,769.
Inside that bill	CDD operations $3,166, CDD debt $331, East Manatee fire $272.
MLS dues line	$135 per year to Lakewood Ranch Town Hall. That is not the Siena maintenance fee.

Dividing the ask by the 3,548 sq ft total building area prints about $337 per foot. That denominator includes garage and lanai. Every comparison in this brief uses living area.

13844 Siena Loop	Sold 2026-01-29	$619,425	2,134	$290	Smaller 2-bedroom plan with a pool.

13978 is the cleanest comparison: same bedroom count, three baths, an office, and a golf-and-lake lot, plus a 4-ton 16 SEER air conditioner replaced in April 2026. It found a buyer at $899,000.

13911 shows what an ambitious ask does on this loop. It opened at $1,295,000 on 16 Jan 2026 and was cut to $995,000 by 20 Aug 2026. It is larger, has four bedrooms and 3.5 baths, a 2024 air conditioner, and a 3-car garage, and it was still for sale. 13987 sold in the week of 3 Aug 2026 for $760,000 after a 2023 sale at $810,000.

13828 closed at $799,000 on 1 Jun 2026 with a brand-new tile roof, a new pool heater, and a rescreened cage, at $346 per living foot. That is the top of the 2026 sold range, and the roof was the headline.

What the remodel adds

The current remarks describe a full remodel. The May 2019 remarks, when this house was listed and then sold for $445,000, already advertised the pool, spa, outdoor kitchen, 18-inch tile, 48-inch cabinets, a granite island, stainless appliances, a gas range, and an office with its own bath.

Claimed in 2026	Already true in 2019	How to treat it
Quartz island	Granite island	Likely replaced. A real, limited premium.
New cabinetry and pantry	48-inch cabinets, walk-in pantry	Confirm they are new.
Frameless primary shower	Tub, spa shower, two vanities	Finish work in the same room.
Guest baths remodeled	Three baths already	Cosmetic unless permits show a rebuild.
Tile floors	18-inch tile	Existing.
Pool, spa, cage, outdoor kitchen	Same features in the 2019 copy	Existing. Ages are not disclosed.
Wine bar, electric fireplace	Not in the 2019 remarks	Cosmetic. The fireplace is electric.
Softener and closet system	Two walk-in closets	Useful. Small dollars.
Roof, AC, water heater	No dates then either	Open. Neighbors date 2023-2026 gear.

Carrying costs the ask does not show

The sellers have homestead, so Save Our Homes is holding the assessed value at $692,095. A buyer does not inherit that cap. The figures below use the 2025 millage of 14.160 and the same non-ad valorem charges. A homestead the next year assumes the standard exemptions and no portability. A buyer who ports a Florida homestead cap would pay less.

Item	Seller, 2025	Buyer at the ask	Buyer at $940,000
Price	Already owned	$1,195,000	$940,000
Tax bill, year 1	$13,013	$20,690	$17,079
Tax bill, year 2 with homestead	$13,013	$20,139	$16,529
Town Hall fee	$135 / year	$135 / year	$135 / year
Siena maintenance, planning	$186 / month	$186 / month	$186 / month
Insurance	Unknown	Quote before writing	Quote before writing
Club membership	Optional	Optional	Optional

At the ask, year-1 taxes are about $20,690, roughly $7,677 more per year than the bill the seller is paying. The CDD is already inside the $13,013 bill. Debt service is only $331 a year, so the bond is small. Operations continue. The proposed FY2026/27 Siena CDD total is $3,782, against $3,497 billed for 2025.

Neighbor listings put the Siena maintenance fee at $175 to $188 per month. 13828 disclosed $186 and 13804 disclosed $188. Confirm both associations on the estoppel, including what the maintenance covers and whether a special assessment is open.

Club membership does not transfer with the deed. The 2026 Lakewood Ranch Golf & Country Club packet lists Premier golf at $110,000 to join and $1,360 a month, Sports at $15,000 and $430 a month, and Social at $6,000 and $185 a month. Heritage Golf Group has owned the club since early 2024. Price a membership separately if it matters.

Risk, in the order it can cost money

Risk	Level	What is open
Price and resale	High	The ask is the outlier. 13911 has already been cut 23 percent and was still listed. 13987 sold in 2026 below its 2023 price.
Roof and insurance	High	2006 tile, year not disclosed. Underlayment is the failure point. Planning range to replace tile on a house this size is $40,000 to $80,000. That is not a bid.
HVAC and water heater	High	The listing is silent. Neighbors advertise 2023-2026 replacements. Planning range: $8,000 to $16,000 for a 4-ton system, $1,500 to $3,000 for a heater.
Tax reset	High	About $7,677 more per year at the ask than the homestead bill.
Remodel story	Medium	Pool, tile, kitchen footprint, and the office bath were already in the 2019 listing. Pull permits before paying a remodel premium.
HOA disclosure	Medium	The $135 annual line is the Town Hall fee. The village maintenance fee is the one on the neighbors' listings.
Pool and cage	Medium	Heated pool and spa are real. Surface, equipment, and the 2006 aluminum cage are undated.
Three bedrooms	Medium	The third bath is the office and pool bath. 13911 offers more bedrooms and baths at a lower ask.
Golf lot	Medium	The view is real, and 13978 shows what buyers paid for the same view. Balls, mowers, and course chemicals come with the lot.
Flood, CDD, 2006 screen	Low	Flood zone X. CDD debt is small. Nothing reviewed here ties this address to Chinese drywall. A 2006 build still belongs on a stucco, flashing, and drywall screen.

Before an offer

Require a roof certification that states the underlayment age, a 4-point inspection, a wind-mitigation report, a wood-destroying-organism inspection, a pool inspection, an insurance binder, both estoppels, and the Manatee permit history. A price near $940,000 is the supported case when those reports show remaining life in the roof and the air conditioner. An original 2006 roof pulls the case toward $860,000. The $1,195,000 ask requires a buyer who sets aside the six 2026 sales and the under-contract house with the same view.
